RE: **Irvine Great Park**

Dear Mr. Taylor:

I am a Senior Assistant District Attorney in the Orange County District Attorney's Office. You are being contacted because you have been identified as the lead person investigating the "Great Park" on behalf of the City of Irvine.

A wide range of allegations of misuse of public funds have been made with respect to the planning and development of the "Great Park." It is my understanding there is currently an ongoing fiscal audit involving the park. As part of our review process, we are requesting copies of interviews, depositions and any supporting documentation that is associated with the audit, including the final report. Additionally, as you continue to review the matter, please contact us if you uncover any possible criminal conduct or suspicious conduct related to your investigation.

Our intent in reaching out to you and asking you for the final report and the raw data is in no way, shape or form intended to interfere with your process, and/or with any activity you are planning on doing in connection with your audit or with the release of information relating to your findings.

If you have any questions or concerns, please do not hesitate to contact me. We are looking forward to hearing from you and to reviewing the final report and the raw data.

Sincerely,

Michael Lubinski
